

ORC seminar program – spring 2018

16/5-18

Speaker: Leonid Zhigilei, University of Virginia, USA

Host: Peter Balling

Title: Laser-induced structural and phase transformations: Insights from large-scale atomistic simulations

13/06-18

Speaker: Thomas Killian, Rice University, USA

Host: Michael Drewsen/Thomas Pohl

Title: Laser Cooled Neutral Plasmas: A Laboratory for the Study of Strongly Coupled Systems
