

Seminar on Detector and Radiobiology Modelling in Ion Beams

Prof. Michael P.R. Waligórski

*IFJ PAN & Centre of Oncology, Krakow,
Poland*

Track Structure Theory for Beginners

- Katz Model
- Ion Response of TLDs
- Carbon Beam Therapy Planning

10th December 2013

9:15 – 17:00 - Room 1522-219

Department of Physics and Astronomy
Ny Munkegade 120
Aarhus University
DENMARK

Contributions by

- Niels Bassler – Alanine Detectors
- Peter Skyt – Radiochromic 3D Detectors
- Brita Singers Sørensen – Observations from the RBE literature study

Free registration: bassler@phys.au.dk or skyt@phys.au.dk
